ACERCA DE LOS MEDICAMENTOS QUE CUBRIMOS EN ESTE PLAN**

HPMS Approved Formulary File Submission ID 20144, Version Number 8

**Nota para los actuales miembros:** este formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contenga los medicamentos que usted toma.

Cuando esta lista de medicamentos (formulario) dice “nosotros,” “nuestro/a”, se refiere a Integra Managed Care. Cuando dice “plan” o “nuestro plan,” se refiere a Integra Harmony (HMO SNP) o Integra Synergy MAP (HMO SNP).

Este documento incluye una lista de los medicamentos (formulario) para nuestro plan que está vigente al 23 de septiembre de 2019. Comuníquese con nosotros si desea un formulario actualizado. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y contraportada.

En general, debe usar las farmacias de la red para usar su beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos/coaseguros pueden cambiar el 1 de enero de 2021 y ocasionalmente durante el año.

**¿Qué es el formulario de Integra Managed Care?**

Un formulario es una lista de medicamentos cubiertos seleccionados por Integra Managed Care en consulta con un equipo de proveedores de atención médica, que representa las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. Integra Managed Care generalmente cubrirá los medicamentos incluidos en nuestro formulario, siempre que el medicamento sea médicamente necesario, la receta se surta en una farmacia de la red de Integra Managed Care y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, revise su Evidencia de cobertura.

**¿Puede cambiar el Formulario (lista de medicamentos)?**

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero podemos agregar o eliminar medicamentos en la Lista de medicamentos durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones.

**Cambios que pueden afectarlo este año:** en los siguientes casos, se verá afectado por los cambios de cobertura durante el año:

- **Nuevos medicamentos genéricos.** Podemos eliminar de inmediato un medicamento de marca en nuestra Lista de medicamentos si lo reemplazamos con un nuevo medicamento genérico que aparecerá en el mismo nivel de costo compartido o en uno más bajo y con las mismas restricciones o menos. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero moverlo inmediatamente a un nivel de costo compartido diferente o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no le informemos con anticipación antes de realizar ese cambio, pero luego le proporcionaremos información sobre los cambios específicos que hemos realizado.
  - Si efectivamente realizamos tales cambios, usted o el profesional que expide la receta médica pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento recetado de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de Integra Managed Care?”
- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos considera que un medicamento de nuestro formulario no es seguro o si el fabricante del medicamento retira el medicamento del mercado, lo eliminaremos de inmediato de nuestro formulario y notificaremos a los miembros que lo toman.
- **Otros cambios.** Podemos hacer otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos agregar un medicamento genérico que no es nuevo en el mercado para reemplazar un medicamento de marca actualmente en el formulario o agregar nuevas restricciones al medicamento de marca. O podemos hacer cambios basados en nuevas pautas clínicas. Si retiramos medicamentos de nuestro formulario, o agregamos autorización previa, límites de cantidad y/o restricciones de terapia escalonada en un medicamento, debemos notificar a los miembros afectados del cambio al menos 30 días antes de que el cambio entre en vigencia, o en el momento en que el miembro solicite un resurtido del medicamento, en cuyo momento el miembro recibirá un suministro de 30 días del medicamento.
  - Si efectivamente realizamos estos otros cambios, usted o el profesional que expide la receta médica pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento recetado de marca para usted. El aviso que le proporcionamos también incluirá información sobre cómo solicitar una excepción, y también puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción al Formulario de Integra Managed Care?”

**Cambios que no lo afectarán si actualmente está tomando el medicamento.** En general, si está tomando un medicamento que figura en nuestro formulario para 2020 que estaba cubierto a principios de año, no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2020, excepto como se describió anteriormente. Esto significa que estos medicamentos permanecerán disponibles con el mismo costo compartido y sin nuevas restricciones para aquellos miembros que los toman por el resto del año de cobertura.

El formulario adjunto está actualizado al 23 de septiembre de 2019. Para obtener información actualizada sobre los medicamentos cubiertos por Integra Managed Care, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y contraportada. Si desea una copia impresa del formulario, puede llamarnos y solicitar una.

## ¿Cómo uso el Formulario?

Hay dos formas de encontrar su medicamento en el formulario:

### Condición médica

El formulario comienza en la página 10. Los medicamentos en este formulario se agrupan en categorías según el tipo de afecciones médicas que se usan para tratar. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran en la categoría, “AGENTES CARDIOVASCULARES”. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 7. Luego busque debajo del nombre de la categoría de su medicamento.

### Listado alfabético

Si no está seguro en qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 100. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. En el Índice se incluyen tanto los medicamentos de marca como los genéricos. Mire en el índice y encuentre su medicamento. Al lado de su medicamento, verá el número de página donde puede encontrar información de cobertura. Vaya a la página que figura en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

## ¿Qué son los medicamentos genéricos?

Integra Managed Care cubre tanto los medicamentos de marca como los genéricos. La FDA aprueba un medicamento genérico que tiene el mismo ingrediente activo que el medicamento de marca. En general, los medicamentos genéricos cuestan menos que los de marca.

## ¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Integra Managed Care requiere que usted o su médico obtengan autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de Integra Managed Care antes de surtir sus recetas. Si no obtiene la aprobación, es posible que Integra Managed Care no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, Integra Managed Care limita la cantidad del medicamento que cubrirá. Por ejemplo, Integra Managed Care proporciona 90 píldoras para 30 días por receta para una tableta oral de fenobarbital de 100 mg. Esto puede ser adicional a un suministro estándar de uno o tres meses.
- **Terapia escalonada:** En algunos casos, Integra Managed Care requiere que primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el Medicamento A y el Medicamento B tratan su afección médica, Integra Managed Care puede no cubrir el Medicamento B a menos que pruebe el Medicamento A primero. Si el Medicamento A no funciona para usted, entonces Integra Managed Care cubrirá el Medicamento B.

Puede averiguar si su medicamento tiene requisitos o límites adicionales consultando el formulario que comienza en la página 10. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio web. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de terapia escalonada. También puede pedirnos que le

enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y contraportada.

Puede solicitar a Integra Managed Care que haga una excepción a estas restricciones o límites, o que solicite una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección “¿Cómo solicito una excepción al Formulario de Integra Managed Care?” en la página 5 para obtener información sobre cómo solicitar una excepción.

## **¿Por qué mi medicamento no está incluido en el Formulario?**

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicio de Atención al Cliente y preguntar si su medicamento está cubierto.

Si se entera de que Integra Managed Care no cubre su medicamento, tiene dos opciones:

- Puede solicitarle al Servicio de Atención al Cliente una lista de medicamentos similares cubiertos por Integra Managed Care. Cuando reciba la lista, muéstrele a su médico y pídale que le recete un medicamento similar que esté cubierto por Integra Managed Care.
- Puede pedirle a Integra Managed Care que haga una excepción y cubra su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

## **¿Cómo solicito una excepción al Formulario de Integra Managed Care?**

Puede pedirle a Integra Managed Care que haga una excepción a nuestras normas de cobertura. Hay varios tipos de excepciones que puede solicitarnos.

- Puede solicitarnos que cubramos un medicamento incluso si no está en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y no podrá solicitarnos que proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que no apliquemos restricciones o límites de cobertura a su medicamento. Por ejemplo, para ciertos medicamentos, Integra Managed Care limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que no apliquemos el límite y cubramos una cantidad mayor.

En general, Integra Managed Care solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan o las restricciones de utilización adicionales no serían tan efectivas para tratar su afección y/o causarían efectos médicos adversos.

Debe comunicarse con nosotros para solicitarnos una decisión de cobertura inicial para un formulario o una excepción de restricción de utilización. **Cuando solicite un formulario o una excepción de restricción de utilización, debe enviar una declaración del médico que receta o de su médico que respalde su solicitud.** En general, debemos tomar una decisión dentro de las 72 horas de haber recibido la declaración de respaldo de su médico. Puede solicitar una excepción acelerada (rápida) si usted o su médico creen que su salud podría verse seriamente afectada si espera hasta 72 horas para tomar una decisión. Si se otorga su solicitud de agilización, debemos darle una decisión a más tardar 24 horas después de que recibamos una declaración de respaldo de su médico u otra persona que recete.

## **¿Qué debo hacer antes de poder hablar con mi médico acerca de cambiar mis medicamentos o solicitar una excepción?**

Como miembro nuevo o permanente de nuestro plan, puede estar tomando medicamentos que no estén incluidos en nuestro formulario. O bien, puede estar tomando un medicamento que estén incluidos en nuestro

formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa de nuestra parte antes de poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento apropiado que cubrimos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el curso de acción correcto para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días que sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no está incluido en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal para 30 días. Si su receta está escrita por menos días, permitiremos que los resurtidos proporcionen un suministro máximo de medicamentos para 30 días. Después de su primer suministro para 30 días, no pagaremos estos medicamentos, incluso si ha sido miembro del plan por menos de 90 días.

Si es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ha pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia para 31 días de ese medicamento mientras busca una excepción al formulario.

## Nivel de transiciones de la atención

Después de ser miembro de nuestro plan durante 90 días, si experimenta un cambio en el nivel de atención, donde cambia de un entorno de tratamiento a otro (por ejemplo, un hospital a domicilio u hospital a un centro de atención a largo plazo), cuando usted sea admitido o dado de alta, le permitiremos obtener un resurtido de suministro para un mes de cualquier medicamento del formulario o no incluido en el formulario que le hayan recetado (incluidos los medicamentos de la Parte D que están en nuestro formulario pero que requieren autorización previa o terapia escalonada). Esto se conoce como nuestra “Política de transición”. Para obtener más información, llámenos al 1-877-388-5195 (TTY: 711).

## Para más información

Revise su Evidencia de cobertura y otros materiales del plan para obtener información más detallada sobre su cobertura de medicamentos recetados de Integra Managed Care.

Si tiene preguntas sobre Integra Managed Care, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparece en la portada y contraportada.

Si tiene preguntas generales sobre la cobertura de medicamentos recetados de Medicare, llame a Medicare al 1-800-MEDICARE (1-800-633-4227) durante las 24 horas del día, los 7 días de la semana. Los usuarios de TTY deben llamar al 1-877-486-2048. O bien, visite <http://www.medicare.gov>.

## Formulario de Integra Managed Care

El formulario que comienza en la página 10 proporciona información de cobertura sobre los medicamentos que cubre Integra Managed Care. Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice que comienza en la página 100.

La primera columna del cuadro enumera el nombre del medicamento. Los medicamentos de marca están con letras mayúsculas (por ejemplo, **SOLUCIÓN INTRAVENOSA DE BACTOCILL EN DEXTROSA**) y los medicamentos genéricos están indicados en minúsculas en *itálica* (por ejemplo, *solución de inyección de nafcilina sódica*).

La información en la columna Requisitos/Límites le indica si Integra Managed Care tiene algún requisito especial para la cobertura de su medicamento.
