B. Background Information about Integra Synergy MAP (HMO SNP)'s Network Providers

B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also include facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and LTSS.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing **or** only your share of the cost for covered services.
- **A Primary Care Physician (PCP)** is a physician who gives you routine health care. PCPs are generally physicians of Internal Medicine, Family Practice, General Practice, Obstetrics & Gynecology, Nurse Practitioners and Geriatrics. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.

If you have questions, please call Integra Synergy Medicaid Advantage Plus (MAP) (HMO SNP)

Member Services at 877-388-5195, TTY at 711, Monday – Sunday 8 am to 8 pm. The call is free.

For more information, visit www.integramanagedcare.com.

- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can see someone that is not your PCP. If you don't get a referral, Integra Synergy MAP (HMO SNP) may not cover the service.
 - Referrals from your network PCP are not needed for:
 - Emergency care;
 - Urgently needed care;
 - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area;
 - Services from a women's health specialist.
 - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the *Evidence of Coverage*.

B2. Primary Care Physician (PCP)

You can get services from any provider who is in our network and accepting new members.

When you become a member of our plan, you will choose a PCP who is part of our plan network. This provider will be your PCP.

If you did not choose a PCP or would like to make a change to your PCP, go to the list of providers and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at the number at the bottom of this page.

If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service.

B3. How to identify providers in Integra Synergy MAP (HMO SNP)'s network

You may need a referral to see someone who is not a PCP. There is more information about referrals in Section B1 of this Directory on page v.

If you have questions, please call Integra Synergy Medicaid Advantage Plus (MAP) (HMO SNP) Member Services at 877-388-5195, TTY at 711, Monday – Sunday 8 am to 8 pm. The call is free. For more information, visit www.integramanagedcare.com.

You must get all your covered services from providers within our network. If you go to providers who are not in Integra Synergy MAP (HMO SNP)'s network (**without prior authorization or approval from us**), **you will have to pay the bill**.

A **prior authorization** is an approval from Integra Synergy MAP (HMO SNP) before you can get a specific service, drug, or see an out-of-network provider. Integra Synergy MAP (HMO SNP) may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Integra Synergy MAP (HMO SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. For some providers, you may need a referral from your PCP.
- Integra Synergy MAP (HMO SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Integra Synergy MAP (HMO SNP) can help you. Talk to your care team, care coordinator, or patient navigator for assistance.

B4. How to find Integra Synergy MAP (HMO SNP) providers in your area

Integra Synergy MAP (HMO SNP)'s provider directory includes hospitals, physicians and other providers participating in Integra Synergy MAP (HMO SNP)'s network. Each section is organized alphabetically by county. Within each county, the physician names are listed in alphabetical order along with the address and phone number. For the most updated Integra Synergy MAP (HMO SNP) provider information, please visit www.integramanagedcare.com. While every provider listed in this directory is contracted with Integra Synergy MAP (HMO SNP), not every provider listed will be accepting new patients. Although Integra Synergy MAP (HMO SNP) has identified those providers who were not accepting patients at the time this directory was created, the status of any provider's practice may have changed.

For the most current information regarding the status of any provider's practice, please contact either the provider or the medical group you have selected at the phone number listed in this directory.

If you have questions about Integra Synergy MAP (HMO SNP) or require assistance in selecting a PCP, please call our Member Service Department at the bottom of this page

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Integra Synergy MAP (HMO SNP) will be responsible for the costs.

If you have questions, please call Integra Synergy Medicaid Advantage Plus (MAP) (HMO SNP) Member Services at 877-388-5195, TTY at 711, Monday – Sunday 8 am to 8 pm. The call is free. For more information, visit www.integramanagedcare.com.

How to access out-of-network providers

You must use plan providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers neither Medicare nor Integra Synergy MAP (HMO SNP) will be responsible for the costs.

Members must use network providers to get medical care and services. The only exceptions are emergencies, urgently needed care when either no network provider is available or when members are out of the area, out-of-area dialysis services, and cases in which Integra Synergy MAP (HMO SNP) authorizes use of out-of-network providers.

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services received from any provider. Our plan covers urgently needed care anywhere in the U.S. However, Integra Synergy MAP (HMO SNP) does not cover urgently needed care or any other non-emergency care if a member receives the care outside of the United States.

In cases where non-contracted providers submit a bill directly to the member, **the member should not pay the bill**, but should submit it to Integra Synergy MAP (HMO SNP) for processing and determination of member liability, if any. You can forward this bill to:

Integra Synergy MAP (HMO SNP)
C/O Claims Department, Suite 100
1981 Marcus Avenue
Lake Success, NY 11042

How to access specialty providers

You can get care from a specialty provider. Contact Integra Synergy MAP (HMO SNP) to authorize a specialist visit with a specialist participating in the Integra Synergy MAP (HMO SNP) provider network. You may also need prior authorization from Integra Synergy MAP (HMO SNP) before receiving certain types of care. When this happens, your PCP will contact Integra Synergy MAP (HMO SNP) and let you know when authorization is given.

You can get additional information on how to access specialty care by calling Member Services at the number at the bottom of this page.

How to find a network pharmacy

The Pharmacy Directory section that lists pharmacy providers is located on pages 209-343. Please refer to the Pharmacy Directory section to find an updated list of pharmacy providers. Or call Member Services at the number at the bottom of this page.

The Pharmacy Directory provides a list of Integra Synergy MAP (HMO SNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Integra Synergy MAP (HMO SNP) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Integra Synergy MAP (HMO SNP) Plan members. In most cases, your prescriptions are covered under Integra Synergy MAP (HMO

SNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 9/30/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called “EnvisionMail”. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for New York which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please contact Integra Synergy MAP (HMO SNP) Member Services at the number at the bottom of this page.

How to access interpreters/interpreter services/information in other languages

Hearing and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language by contacting Integra Synergy MAP (HMO SNP) Member Services at the number at the bottom of this page.

D. Background Information about Integra Synergy MAP (HMO DSNP)'s Network Pharmacies

This part of the Directory provides a list of pharmacies in Integra Synergy MAP (HMO DSNP)'s network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside our service area. You may also fill your prescriptions at these pharmacies. Please contact Integra Synergy MAP (HMO DSNP) at the number at the bottom of this page.

- Integra Synergy MAP (HMO DSNP) members must use network pharmacies to get prescription drugs.
 - You must use network pharmacies except in emergency or urgent care situations.
 - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service. Read the Integra Synergy MAP (HMO DSNP) *Evidence of Coverage* for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about Integra Synergy MAP (HMO DSNP) network pharmacies in your area, please visit our website at www.integramanagedcare.com or call Member Services at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Evidence of Coverage* and Integra Synergy MAP (HMO DSNP)'s *List of Covered Drugs* (Drug List) or access Integra Synergy MAP (HMO DSNP) website at www.integramanagedcare.com

D1. Types of pharmacies in Integra Synergy MAP (HMO DSNP) network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

If you have questions, please call Integra Synergy MAP (HMO DSNP) Member Services at 855-388-5195, TTY at 711, Monday – Sunday 8 am – 8 pm. The call is free. For more information, visit www.integramanagedcare.com.

You are not required to continue going to the same pharmacy to fill your prescriptions.

You can go to any of the pharmacies in our network.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **30-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 30-day supply of covered prescription drugs. A 30-day supply has the same copay as a one-month supply.

E. Integra Synergy MAP (HMO DSNP)'s List of Network Pharmacies

This part of the Directory includes a list of Integra Synergy MAP (HMO DSNP)'s network pharmacies that **participate in and accept** Integra Synergy MAP (HMO DSNP).

The Pharmacy Directory provides a list of Integra Synergy MAP (HMO DSNP) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Integra Synergy MAP (HMO DSNP) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Integra Synergy MAP (HMO DSNP) Plan members. In most cases, your prescriptions are covered under Integra Synergy MAP (HMO DSNP) only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/01/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called “EnvisionMail”. For more information, please contact us.

If you have questions, please call Integra Synergy MAP (HMO DSNP) Member Services at 855-388-5195, TTY at 711, Monday – Sunday 8 am – 8 pm. The call is free. For more information, visit www.integramanagedcare.com.
