#### **Section 1 – Introduction**

This directory provides a list of Integra Managed Care's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your <u>P</u>rimary <u>Care Provider</u> (PCP). Generally, you must get your health care services from your PCP. A PCP is a physician specializing in General Practice, Family Practice, Internal Medicine, Geriatrics, Adolescent Medicine and Pediatrics. Under certain circumstances, if you have a degenerative or disabling disease you may be permitted to choose a specialist as your PCP provided that the PCP, in consultation with Integra Managed Care HMO, agrees that the use of a specialist in this manner is most appropriate in treating you.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory however, some services may require a referral. When your PCP thinks that you need specialized treatment, he/she will give you a referral (approval in advance) to see a plan specialist or certain other provider.

For some types of referrals, your PCP may need to get approval in advance from our Plan (this is called getting "prior authorization") It is very important to get a referral (approval in advance) from your PCP before you see a plan specialist or certain other provider (there are a few exceptions, including routine women's health care). If you don't have a referral (approval in advance) before you get services from a specialist, you may have to pay for these services yourself.

# What you should do if you have bills from a non-contracting provider that you think should be paid by Integra Managed Care.

In cases where non-contracting providers submit a bill directly to the enrollee, the enrollee should not pay the bill, but should submit it to the plan sponsor for processing and determination of enrollee liability, if any. If you have questions, please call our Member Service Department at 1-877-388-5195, 8:00 A.M. to 8:00 P.M., 7 days a week. TTY users should call 711. **NOTE:** After March 31, 2019, the Member Services hours for Saturday and Sunday will be operated by alternative technology.

#### Getting care if you have a Medical Emergency

Get help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital or urgent care center. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. When out of the service area urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you

obtain routine care from out-of-network providers neither Medicare nor Integra Managed Care HMO will be responsible for the costs.

As soon as possible make sure that our plan has been notified about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours.

Sección 2 - Lista de proveedores de la red	1

#### Sección 1 Introducción

Este directorio proporciona una lista de Integra Managed Care's proveedores de red. Para obtener información detallada sobre su salud cobertura de atención, consulte su Evidencia de cobertura (EOC).

Tendrá que elegir a uno de los proveedores de nuestra red que figuran en este directorio para que sea su <u>P</u> rimary <u>C</u> son <u>P</u> rovider (PCP). En general, debes obtener tu salud servicios de cuidado de su PCP. Un PCP es un médico especializado en Medicina General, Medicina Familiar, Medicina Interna, Geriatría, Medicina del Adolescente y Pediatría. En ciertas circunstancias, si tiene una enfermedad degenerativa o discapacitante, se le puede permitir elegir un especialista como su PCP, siempre que el PCP, en consulta con Integra Managed Care HMO, acepte que el uso de un especialista de esta manera es más apropiado en el tratamiento de usted.

Los proveedores de la red que figuran en este directorio han acordado proporcionarle su salud servicios de cuidado. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorioSin embargo, algunos servicios pueden requerir una referencia. Cuando su PCP considere que necesita tratamiento especializado, le dará una referencia (aprobación por adelantado) para ver a un especialista del plan u otro proveedor determinado.

Para algunos tipos de referencias, su PCP puede necesitar la aprobación previa de nuestro Plan (esto se conoce como obtener "autorización previa"). Es muy importante obtener una referencia (aprobación por adelantado) de su PCP antes de ver a un especialista del plan. o algún otro proveedor (hay algunas excepciones, incluida la atención médica de rutina para la mujer). Si no cuenta con una referencia (aprobación por adelantado) antes de recibir los servicios de un especialista, es posible que deba pagar estos servicios usted mismo.

# Qué debe hacer si tiene facturas de un proveedor no contratado que cree que deberían ser pagadas por Integra Managed Care.

En los casos en que los proveedores no contratantes presenten una factura directamente al afiliado, el afiliado no debe pagar la factura, sino que debe enviarla al patrocinador del plan para su procesamiento y determinación de la responsabilidad del afiliado, si corresponde. Si tiene alguna pregunta, llame a nuestro Departamento de Servicios para Miembros al 1-877-388-5195, de 8:00 A.M. a 8:00 P.M., los 7 días de la semana. Los usuarios de TTY deben llamar al 711. **NOTA:** Después del 31 de Marzo de 2019, las horas de Servicios al Miembro para el sábado y el domingo serán operadas por tecnología alternativa.

#### Recibir atención si tiene una emergencia médica

Obtenga ayuda lo más rápido posible. Llame al 911 para obtener ayuda o diríjase a la sala de emergencias, el hospital o el centro de atención de urgencias más cercano. Llame para una ambulancia si la necesita. No *es* necesario que primero obtenga aprobación o una derivación de su PCP.

La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio del proveedor disponible más cercano. Cuando se encuentre en el área de servicio, debe usar proveedores del plan para atención urgente. Cuando esté fuera del área de servicio, se puede obtener atención de urgencia del primer proveedor disponible. Además, cuando se encuentra fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de diálisis calificado. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Integra Managed Care HMO serán responsables de los costos.

Tan pronto como sea posible, asegúrese de que nuestro plan haya sido notificado sobre su emergencia. Necesitamos hacer un seguimiento de su atención de emergencia. Usted u otra persona deben llamarnos para informarnos sobre su atención de emergencia, generalmente dentro de las 48 horas.

## Introduction

This booklet provides a list of Integra Managed Care HMO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Integra Managed Care's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Integra Managed Care. When it refers to "plan" or "our plan," it means Integra Harmony (HMO SNP) Plan.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Integra Managed Care only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Envision Pharmacies. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the following counties in New York State: New York, Bronx, Kings, Queens and Nassau, which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please contact us at 1.877-388-5195. TTY users call 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Integra Managed Care.

### Introducción

Este folleto proporciona una lista de las farmacias de la red de Integra Managed Care HMO. Para obtener una descripción completa de su cobertura de medicamentos recetados, incluida la forma de surtir sus medicamentos recetados, consulte la Evidencia de cobertura y el formulario de Integra Managed Care.

Cuando este directorio de farmacias hace referencia a "nosotros", "nos" o "nuestro", significa atención administrada de Integra. Cuando se refiere a "plan" o "nuestro plan", significa Plan Integra Harmony (HMO SNP).

Llamamos a las farmacias en esta lista nuestras "farmacias de la red" porque hemos hecho arreglos con ellos para proporcionar medicamentos recetados a los miembros del Plan. En la mayoría de los casos, sus recetas están cubiertas por Integra Managed Care solo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de pedidos por correo. Una vez que vaya a una farmacia, no es necesario que continúe yendo a la misma farmacia para surtir su receta, pero puede cambiar a cualquier otra farmacia de nuestra red. Llenaremos recetas en farmacias fuera de la red bajo ciertas circunstancias como se describe en su Evidencia de cobertura.

Es posible que todas las farmacias de la red no estén incluidas en este directorio. Es posible que se hayan agregado o eliminado farmacias de la lista después de imprimir este directorio. Esto significa que es posible que las farmacias enumeradas aquí ya no estén en nuestra red, o que haya farmacias más nuevas en nuestra red que no estén listadas. Esta lista está actualizada a partir de noviembre de 2018. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de portada y contraportada.

Puede obtener medicamentos recetados enviados a su hogar a través de nuestro programa de entrega de pedidos por correo de la red que se llama Envision Pharmacies. Para obtener más información, comuníquese con nosotros o consulte la sección de pedidos por correo de este directorio de farmacias.

Este directorio es para los siguientes condados del estado de Nueva York: Nueva York, Bronx, Kings, Queens y Nassau, que incluye el área en la que vive. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias donde su plan puede cubrir sus recetas. Para obtener información sobre más farmacias en nuestra red de planes que no figuran en este directorio, comuníquese con nosotros al 1.877-388-5195. Los usuarios de TTY llaman al 711.

Si tiene preguntas sobre cualquiera de los anteriores, consulte las páginas de portada primera y última de este directorio para obtener información sobre cómo comunicarse con Atención Administrada de Integra.
